Parkside GGI converted to an Academy as part of the Inspired Learning MAT along with Yarlside and Victoria Academy in September 2015. Parkside's recent Section 8 Ofsted inspection graded the school and with significant improvement overall indicating it is likely to be outstanding following a full section 5 inspection. Parkside is also in the top 5% of schools nationally.

Our teaching team comprises of 9 teachers. This post has become available due to the current post holder taking maternity leave. The post is in one of our two Year 1 classes so you will be working alongside a very experienced teacher. Starting at the beginning of the Spring Term 2019, where there will be a two-week handover alongside the current class teacher. Support will be provided for the successful candidate in the administration of the Year 1 phonics screening check which take place during the month of June.

The Y1 class has 22 pupils. Behavior within the class is excellent. The class has a teaching assistant who works every morning and afternoon to support the class teacher in delivering high quality teaching and learning.

As well as achieving high standards of attainment and progress Parkside also provides excellent provision for extra-curricular activities and involvement within the wider community.

This is an exciting time and a great opportunity to be joining our academy and the Inspired Learning Multi Academy Trust as it more responsible for the strategic financial and administrative running of the school and our extension of age range means we will be a full Primary school by September 2021.
