**Special Skills:**

This month we are trying to improve at something

**New Staff**

We are delighted to have two new staff members join our team. Miss Aimee O'Brien joins our admin team in the school office. Mr Mark Fitzgerald is our new Health and Safety Administrator. We wish Miss Bloor and Mrs Gordon well as they leave us.

**Summer Fair**

Thank you to everyone who supported our summer fair, on what turned out to be a glorious sunny afternoon. We raised a wonderful £1,100 for our school.

**Reading expectations**

Last half term we surveyed every child's reading record to see how much reading they did at home to support their work in school. Less than 10% of children actually read the minimum expected time at home. Please support your child by reading a minimum of 3 times a week (that is just 15 mins). This has a profound effect on their learning in school.

**Childcare and wrap around care**

All invoices are now posted onto your Parent Pay account each Friday. A reminder that all bills must be paid for within a week of the invoice being posted on ParentPay. If your bill exceeds £50 it is school policy that you will not be entitled to any further childcare until the bill is cleared.

**Warm Weather**

Please ensure you send your child into school with a water bottle, sun hat and sun cream applied on sunny days.

**September 2018**

Preparations are beginning for your child to move into their new classes. Please see below which class they will be in from September.

Many thanks for your continued support

Mrs. Caroline Walker  
Headteacher
