'Nurturing, Developing, Inspiring'

Special Skills:

This month we are trying to improve at something

Half Term Family Picnic Challenge

We would like you to take your family and go for a picnic somewhere you have never been before. Please post onto Tapestry and we will include some of your picnic spots in our activity sheet for the summer holidays.

Last half term of the school year.

June marks the start to our last half term of the school year. This term is always incredibly busy and exciting as the children prepare to move on to their next class. We will be having transition days on 24th June and the 3rd July for all children. Your child will have received their golden envelope from their new teacher and the table below shows which class will be with which teacher.

Knowledge Organisers.

Your child will be bringing home a knowledge organiser for next half term. This will contain the information they will learn over the next half term. They include key information, vocabulary, facts & terminology linked to their topic. We hope that you will share them a number of times over the half term with your child and that you find it useful to support and check their learning at home.

Whole class photographs

Tempest photography will be in school on June 3rd (first day back) to take whole class photographs. Please ensure your child is in school on that day and in their correct uniform including their tie. **We would like all girls to wear their winter uniform, not their summer dresses, on that day please with grey or white socks.**

Warm Weather

Please ensure you send your child into school with a water bottle, sun hat (named) and sun cream applied before school.

Return to school September

We just wanted to draw your attention to the date we start back in September. It is a day earlier than other schools. We start back on **Tuesday 3rd September.**

Mrs. Caroline Walker
Headteacher
