Special Skills:

This month we are learning to concentrate!

September: School has been a very exciting place to be in September with all children settling brilliantly into their new classes. We are very proud of each and everyone of them.

Harvest festival: This will take place on Friday 20th October alongside our work of the month assembly. We are collecting for the foodbank week beginning 16th. Each class will be singing a harvest themed song.

School performance: Once again last year we had our most successful year to date with our children achieving well above the national in the year 1 phonics screening check and the end of key stage 1 SATs. See below for full results.

School photographs: The forms need to be returned with payment to the school office by Monday 9th October please.

Breakfast club

A reminder our breakfast club runs every morning from 8am and is heavily funded by school so that you will only pay £1 from 8am or 50p from 8.30am. It is a great start to the day and you do not need to book.

After School club

This runs each night from 3-5pm and has themed evenings, which the children really enjoy at the end of a busy school day. This club costs £3.00 per hour and includes snacks. If you

want your child to take part you can let us know up till the lunchtime of the day you wish them to stay.

School Improvement

We are constantly updating school and you will have noticed that the fence around the school field is now complete. Our next phase of building work will be in preparation for becoming a Primary school and will be ready for September next year.

Keep our children safe.

Please can we ask that you use the footpath into the back of school rather than walking across our busy car park? Please be respectful of our local residents and the safety of our children by avoiding parking on yellow lines and at the bottom of Jarrow st. We thank you for your support with this.

Please do not hesitate to contact us if you have any questions comments or concerns.

Many thanks

Mrs. Caroline Walker
