Special Skills:

This month we are learning to concentrate!

September:

School has been a very exciting place to be in September with all children settling brilliantly into their new classes. We are very proud of each and every one of them.

Harvest festival:

This will take place on Friday 19th October alongside our work of the month assembly. We are collecting for the foodbank week beginning 15th. Each class will be singing a harvest themed song.

School performance:

Once again last year we had our most successful year to date with our children achieving well above the national in the Year 1 phonics screening check and the end of Key Stage 1 SATs. See below for full results.

Christmas Shoe box appeal:

We will once again be supporting this appeal and giving children, who live in abject poverty, in Romania the gift of Christmas. Leaflets will be sent home this week. If you want to make a shoe box, please return it to school by Friday 2nd November. Our families are always incredibly generous with this appeal and we thank you in advance for making a difference.

After School club:

This runs each night from 3-5pm and has themed evenings, which the

children really enjoy at the end of a busy school day. This club costs £3.00 per hour and includes snacks. If you want your child to take part, you can let us know up till the lunchtime of the day you wish them to stay.

School Improvement:

We are constantly updating school and we have invested £15,000 into our sports provision and resources to ensure we have the resources needed for the PE curriculum in KS2. This includes new resources for the following sports, golf, tennis, netball, hockey, gymnastics and football.

Please do not hesitate to contact us if you have any questions comments or concerns.

Many thanks
