Special Skills:

This month we are learning to Imagine.

Christmas Countdown: This half term is one of the busiest but most exciting of the year as we countdown to Christmas.

School improvement: This month we are introducing a wealth of new technology into school in the form of new laptops and lynx windows tablets. We are committed to providing our children with all types of emerging technology and computing hardware within our curriculum. We now have a range of laptops, iPads and lynx tablets to ensure your child is prepared for future and advancing technologies. This, alongside our website Purple mash, will provide them with great opportunities to meet the needs of our advancing digital society.

Contact details: Please ensure we have correct contact numbers for you and your next 2 contacts in case we need to contact you about your child. If you need to update us with numbers and emergency contacts please come to the school office.

Flu Vaccine reception, Year 1 & 2: These will take place on Monday December 4th. Your child will only receive the nasal vaccine if you have completed the consent form. The forms will be sent out the second week of November.

Internet Challenges: Last half term's

Internet winners enjoyed a fabulous Halloween treat. The Internet challenges have started again and if your child completes at least 5 this half term they will receive a treat. Make sure your child does not miss out and look out for them every week on our social media pages.

Parent evenings: These will be held on the 8th and 9th. At parent's evening you will be given your child's targets for now until February and we hope you find this useful in supporting your child at home. Please sign up for an appointment outside your child's classroom.

Cold Weather: As we approach winter and the weather is colder please ensure your child comes to school with a warm coat, hat and gloves (all named please) to ensure they are warm when playing outside at break times. Please do not hesitate to contact us if you have any questions comments or concerns.

Many thanks

Headteacher
